C.T.ART-COLORSTONE, REG. U.S. PAT. OFF. MADE BY CURTTEICH & CO.

"Excelsior," a sculpture by Raoul Jossset, welcomes the sightseer to the New York State Building at the World's Fair of 1940 in New York. The title of the work is the motto of the Empire State. M. Jossset chose an athlete in the act of putting the shot (the arc describes the motion of the sphere) as exemplifying "the dynamic energy as well as the essence of the plastic beauty" of the State.
